MARBLE

Onyx Marble is used in many places like industrial offices, schools, hotels, farmhouses, flooring in houses, corporate offices, weekend homes, staircases, and skating on sidewalks due to its elegant looks & appearance. Onyx marble is used in many places due to its stylish look and appearance

Artificial Onyx Marble

Artificial onyx is good for table tops , ceiling , walls, vanity etc. Marble table tops are represented in many natural colors, as well as designed in a contemporary, modern, traditional, ornate & antique style. We provide White Marble Dining Table that is authentically designed with inlay art work.

Composite Marble

Unlike quarried stones, composite marbles are usually cast into moulds for developing specific pieces which are later used as bathtubs, backsplashes, sinks, countertops, moldings, shower walls and more. The moulds are lined using a specific gel coat which bonds the mixture and develops a transparent and a hard surface.

Italian Marble

High-end floors of living, foyer, staircases, tabletops. Not preferred in kitchens as it is very soft and can easily stain.

DININGS TABLES

a room in which meals are eaten, as in a home or hotel, especially the room in which the major or more formal meals are eaten.
